GDPR - Information specific to the personal data being collected

The following is specific information in relation to the personal data collected from applicants seeking to register as a keeper of animals or register an interest in a herd. The data is required for the primary purpose of complying with a legal requirement on herd-owners to register with DAFM, under the Animal Health and Welfare (Bovine Tuberculosis) Regulations 2015 (S.I. No 58 of 2015) and Council Directive 64/432/EEC, and is entered onto DAFM's Animal Health and Welfare System (AHCS) and Corporate Customer System (CCS) to facilitate DAFM's engagement with farmers under a range of legislation.

Specified purpose: The primary purpose for collecting this information is to

- Register holdings and keepers of animals and herd-owners;
- Carry out disease control and eradication measures as part of the TB Eradication and Brucellosis Monitoring Programmes, including any necessary official controls, tests or inspections;
- Make payments to herd-owners under compensation schemes; and
- Formulate disease control and eradication policy.

Specifically, this data is processed by DAFM for the purposes of

- Furthering the development of policy underpinning the Programmes;
- Ensuring compliance with the undertakings given in the ER1 application form;
- Providing services to implement the Wildlife Strategy, payment for these services and sharing of information with contractors regarding the herds of farmers;
- Paying Private Veterinary Practitioners (PVPs) and Whole Time Veterinary Inspectors (WTVIs) for testing animals;
- Invoicing farmers for farmer pay tests;
- Paying knackeries for the removal of calves infected with TB with no commercial value from a holding;
- Collecting the Bovine Disease Levy and fees payable on animals exported live from the State;
- Checking compensation payable under the Bovine TB Eradication Programme;
- Providing a valuation system for animals removed as reactors, including an arbitration process;
- Routine quality control of the testing Programme(s);
- Facilitating public good research;
- Ensuring the highest standard of financial management, including procurement and revenue collection, and to ensure full compliance with EU and national financial, audit and control requirements.

Legal basis: This processing is necessary for compliance with a legal obligation to which DAFM is subject, and/or for the performance of a task carried out in the public interest or in the exercise of official authority vested in DAFM.

Recipients: Information may be shared with

- Other Divisions in DAFM that have a compatible purpose to process the data;
- The Office for Government Procurement and contractors in the context of managing processes for the procurement of goods and services aimed at furthering the Department's Bovine TB Eradication and Brucellosis Monitoring Programmes;
- External bodies such as: Ombudsman, Farming Representative Organisations, Independent Agricultural Appeals Office, Independent Wildlife organisations and National Parks and Wildlife Service which falls under the responsibility of the Department of Culture, Heritage and the Gaeltacht;
- Members of the Dáil through Parliamentary Questions and Ministerial Representations;
- External service providers contracted to DAFM;
- EU Commission Auditors should they request access in the context of the Department's annual EU funding claim;
- EU (Sante G) (Sante F), European Court of Auditors, Food Safety Authority of Ireland, Comptroller & Auditor General, Internal Audit Unit for the purposes of satisfying EU and national financial, audit and control requirements;
- Northern Ireland Department of Agriculture (DAERA) in the context of achieving the common goal of eradication of bTB on the island of Ireland;
- Research bodies for the purpose of public good research.

Transferred outside the EU: Not applicable.

Retention Period: While all records containing personal data will be retained by ERAD only for as long as the original purpose of collecting/processing it, the data processed for these purposes will generally be held by DAFM for minimally twenty (20) years to allow for the purpose of archiving in the public interest, scientific or historical research purposes or statistical purposes. However, in certain cases data will only be retained for the duration of time-limited processes, e.g. the operation of the On Farm Valuation Scheme and an Arbitration Service or to satisfy financial management obligations. After this time data will be marked for destruction or permanent preservation and will be destroyed or preserved in line with internal guidelines or guidelines received from the National Archives Office or associated permissions received from them.

Data provision being statutory or contractual obligation: The data is required for the purpose of registering a herd and as a keeper of animals under the Animal Health and Welfare (Bovine Tuberculosis) Regulations 2015 (S.I. No 58 of 2015) and Council Directive 64/432/EEC and/or as a herd-owner. It is a legal requirement to register with DAFM in order to keep animals. Failure to supply the required information may mean that the herd-owner/herd-keeper is in breach of legislation and cannot be approved as keepers of animals.

Automated Decision Making: Not applicable.

Information from Third Party: Not applicable.
